“Enjoy the Ride” Walkway

Honor your loved ones with a permanent stone at GMHA.

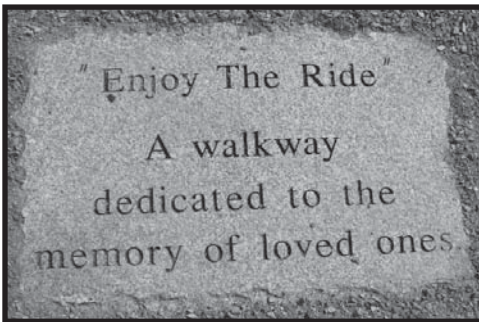

With the help of good friends of GMHA, we have created a walkway marked with etched stones, to honor the many friends, family, and animal companions that have shared their lives with ours. The walkway leads from behind the right side of the White Ring to the terraced seating area.

If you would like to honor a special person or animal, you can order a stone that will be etched with your words of dedication and placed next in line on the walkway. Stones are locally quarried Vermont Gray granite, and made by Artistic Stone of Montpelier, one of GMHA's Business Members.

To order your stone, complete the form below and send it, along with a check of \$800, to GMHA.

You will be contacted by the contractor to confirm your order and finalize any details. When completed your stone will be delivered to GMHA and placed next in line on the Enjoy the Ride walkway.

Keep your memories alive- purchase your stone today.
